

Account Packages

Special packages are a unique offer on the Forex market for our new clients, which allows you to get a full set of accounts ready for active trading immediately after the first deposit. Each package was made for our traders, with the involvement of leading experts in the field of trading and taking into account the wishes of clients. After a period of extensive testing and preparation, Superforex has accommodated the maximum of opportunities and bonuses in one set of accounts, with a minimum deposit, and all this in one package of accounts - to ensure your unlimited opportunities on the Forex market.

Chapter 1. General conditions, terminology.

- 1.1. Special account packages are sets of services provided to the trader after registration and a specified deposit.
- 1.2. Each package has its own fixed set of accounts. It is not possible to change the set of accounts selected during registration.
- 1.3. The rules for the withdrawal of funds are regulated by the general Terms and Conditions of the Client Agreement or Bonus Agreement.
- 1.4. All accounts provided within account packages are swap-free, but there may be exceptions, depending on the region.
- 1.5. Package of services are not renewable: subsequent deposits are not considered as payment for the package of services and relate only to every particular account. Clients can continue to use the accounts at their own discretion.
- 1.6. The list of instruments available for trading, spreads, and commissions are regulated by the settings of accounts provided within the service package.

Chapter 2. Rights and obligations.

- 2.1. SuperForex (further referred to as 'the Company') undertakes to provide the customer the selected account package ('service package'). Each package contains 3 trading accounts and a fixed number of bonuses as part of the package of services and provides a certain number of trading lots with reduced spreads, in accordance with the selected account package.
- 2.2. The first deposit made to the account is distributed among all accounts within the service package. Subsequent deposits are credited to each account separately, according to the customer's choice.
- 2.3. Bonuses provided within the service package are valid in accordance with the bonus terms. If the bonus accrual contradicts the rules of its provision, the Company undertakes to replace it with another bonus, at the Company's discretion.

- 2.4. The Company reserves the right to change the terms and conditions of account packages without prior notice to the client.
- 2.5. The Company has the right to limit or cancel some of the services, such as bonuses or the number of trading lots with reduced spreads, in case it detects an abuse of the Company's services or use of prohibited trading strategies.
- 2.6. After opening the service package, the Client undertakes to make a deposit in accordance with the selected service package.
- 2.7. Clients have the right to request the cancellation of bonuses provided within service packages or transfer funds between accounts at their discretion.
- 2.8. Changing the service package by deleting or adding trading accounts is not possible. However, clients have the right to open new accounts outside of the service package, in an unlimited number, or to claim new service packages.
- 2.9. Other rights and obligations are regulated by the general Client agreement.

Account package "Learner"

1. Within the Learner account package the Client receives:
 - 3 trading accounts:
 - 1 Microcent account with a leverage of 1:1000.
Currency: USD or EUR, depending on the region;
